

Travis High School Band & Color Guard

Band Placement Auditions 24-25

Welcome to the Travis Band Family, incoming Tigers!

In this packet you will find information regarding the 2023-2024 Band Placement Audition for woodwind and brass musicians. The auditions will take place between **May 1st – May 10th**. Each student will need to follow the instructions below to sign up for the 2024-2025 Travis Band MuseClass classroom to submit their virtual audition. This placement audition is our opportunity to place you in the appropriate band class for the 2024-2025 school year. Regardless of what class you get placed into, **every student enrolled in the Travis Band participates in both the Marching Band and Concert bands**. All double reed students (bassoon and oboe) will play/hold a secondary instrument during marching season but will still audition for 2024-2025 Band Placement on their primary instrument (bassoon or oboe).

Audition Material

Prepared Etudes

The goal of this evaluation is to hear what you do best, and what you are capable of doing. For the etude sheet, there is a front and a back. **The required amount to be performed is the Theme, Variation 1, Variation 2, and Variation 3 of the etudes in 4/4 (the front side)** for a maximum of 100 points. For Variation 4 and 5, you can earn an additional 10 points per Variation. The back side of the etude page has a Theme and Variation in 6/8. Each of these will get a maximum of 15 points per Theme/Variation performed. Going beyond the “required” amount will only help, it will in no way hurt or affect the results of the audition (but don’t try it if you haven’t worked on it).

Scales

A maximum of 10 points will be given to each scale performed. A maximum of 30 points will be given for the chromatic scale. We want you to play as many scales as possible, with the goal being all 12 Major scales.

Audition Submission

You will submit all auditions as video recordings through the MuseClass application on your phone. To utilize MuseClass, please follow the instructions listed below:

1. Download **MuseClass** app on your phone (Android or iOS). **This will ONLY download onto your phone and is not available on your computer browser.**
