# Sponsorship Commitment Form

Dear, Travis High School Tiger Band Supporter:

We are classified as a non-profit organization in accordance with section 501(c) (3) of the federal internal revenue code (Tax Identification can be provided upon request).

Fort Bend ISD has generously provided essentials for the band program. Still, additional music and marching instruction are needed to hone the students' skills to compete at such a high level.

Sponsorship funds help close the gap and provide new equipment and additional educational and performance opportunities for students. Sponsorship funds help cover a wide variety of additional unplanned expenses such as instrument repair, uniform upkeep, extra travel, and more. Your investment benefits students to achieve a higher level of success in academics, behavior, time management, and collaboration – all qualities highly valued by employers like you!

The band program needs the financial support of this community to compete at the highest levels. Therefore, we are reaching for the stars with a goal of **\$15,000** in Corporate and Business Community Sponsorships.

## STEP 1 - Sponsorship Commitment

Thank you for contributing to the Travis High School Tiger Band Booster Club for the FBISD school year 2022 - 2023. You have shown your commitment to improving our high school Band Program by donating to this organization.
